## I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the U.S. Environmental Protection Agency (“EPA”), and the Secretary of the Department of the Interior, filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607 (“CERCLA”), as amended, seeking Natural Resource Damages and reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at the Woodbrook Road Dump Site in South Plainfield, Middlesex County, New Jersey (the “Site”).

B. In the same complaint, the State of New Jersey (the “State”), on behalf of the Administrator of the New Jersey Spill Compensation Fund, also alleged that the defendant is liable to the State under Section 107 of CERCLA, 42 U.S.C. § 9607, and under the New Jersey Spill Compensation and Control Act, N.J.S.A. 58:10-23.11, with respect to the Site. The State seeks Natural Resource Damages and reimbursement of response costs incurred and to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at the Site.

C. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and EPA and the State will undertake additional response actions in the future.

D. In performing response actions at the Site, EPA and the State have incurred response costs and will incur additional response costs in the future.

E. The United States and the State allege that the defendant that has entered into this Consent Decree (“Settling Defendant”) is a responsible party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and as to the State, the New Jersey Spill Compensation and Control Act, N.J.S.A. 58:10-23.11, and is jointly and severally liable for response costs incurred and to be incurred at the Site.

F. The Settling Defendant does not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

G. The United States and the State have reviewed the Financial Information and Insurance Information submitted by Settling Defendant to determine whether Settling Defendant is financially able to pay response costs incurred and to be incurred at the Site and Natural Resource Damages. Based upon this Financial Information and Insurance Information, the United States and the State have determined that Settling Defendant has limited financial ability to pay for response costs incurred and to be incurred at the Site and Natural Resource Damages.

H. At substantially the same time that this Consent Decree was lodged with the Court, a separate supplemental consent decree was lodged in the United States District Court for the District of Massachusetts in *United States and Commonwealth of Massachusetts v. AVX Corporation, et al.*, Case Nos. 83-3882-Y and 83-3889-Y (D. Mass.) (Young, J.) related to the New Bedford Harbor Superfund Site in New Bedford, Massachusetts (“New Bedford Harbor Decree”). This Consent Decree and the New Bedford Harbor Decree were negotiated as parts of a single ability-to-pay settlement. As a result, the effectiveness of this Decree is contingent upon the approval and entry of the New Bedford Harbor Decree and the effectiveness of the New Bedford Harbor Decree is contingent upon the approval and entry of this Decree. If either the New Bedford Harbor Decree or this Consent Decree is not approved or entered by a Court, this Consent Decree shall be null and void and of no further effect.

I. The United States, the State, and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter without further litigation and without the admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331, 1367, and 1345 and 42 U.S.C. §§ 9607 and 9613(b), has pendant jurisdiction over the claims arising under State law, and also has personal jurisdiction over Settling Defendant. Solely for the purposes of this Consent Decree and the underlying complaint, Settling Defendant waives all objections and defenses that it may have to jurisdiction of the Court or to venue in this District. Settling Defendant shall not challenge entry or the terms of this Consent Decree or this Court’s jurisdiction to enter and enforce this Consent Decree.

Payments from the Escrow Account shall be split evenly between the Woodbrook Road Site, on the one hand, and the New Bedford Harbor Site, on the other hand. Any payment received after 4:00 p.m. Eastern Time shall be credited on the next business day.

**12. Letters of Credit.**

a. **Woodbrook Letters of Credit;** No later than 30 days following the date as of which both this Consent Decree and the New Bedford Harbor Decree have been lodged with the relevant court, CDE shall cause to be issued for the benefit of the United States and the State,

respectively, letters of credit (the “Woodbrook Letters of Credit”) that shall (1) each have a stated amount, and provide for drawings thereunder in an aggregate amount, of \$3,626,500 to the United States and \$373,500 to the State, respectively.

b. Maintenance of Letters of Credit. CDE shall cause each of the Woodbrook Letters of Credit and the letters of credit required by the New Bedford Harbor Decree (the “New Bedford Harbor Letters of Credit”) (collectively, the “Letters of Credit”) to be maintained until (i) in the case of each Woodbrook Letter of Credit, the date when all of CDE’s payment obligations under Paragraph 5 and Paragraph 10 hereof that are secured thereby have been fulfilled and (ii) in the case of the New Bedford Harbor Letters of Credit, the date when all of CDE’s payment obligations under the New Bedford Harbor Decree that are secured thereby have been fulfilled; provided, however, that CDE shall no longer be required to maintain any of the Letters of Credit after the date when either consent decree is ruled upon and not approved by the relevant court. When CDE has made all such payments under this consent decree secured by the relevant Woodbrook Letter of Credit, the Parties agree to cooperate to effect the termination and surrender of such Woodbrook Letter of Credit as promptly as practicable. In any event, Plaintiffs agree not to draw under a Woodbrook Letter of Credit after CDE has made all required payments under Paragraph 5 and Paragraph 10 of this Consent Decree secured thereby.

c. General Terms for Woodbrook Letters of Credit. The Woodbrook Letters of Credit shall be issued for the benefit of the Plaintiffs in accordance with the terms of this Consent Decree, shall be irrevocable, and shall be issued by a bank or other financial institution or entity that has the authority to issue letters of credit and whose letter-of-credit operations are regulated and examined by a federal or state agency. Upon this Court’s entry of this Consent Decree and the United States District Court for the District of Massachusetts’s entry of the New Bedford Harbor Decree (and only if both such events have occurred), the Plaintiffs may draw on their respective Woodbrook Letters of Credit if CDE fails to make a payment required under Paragraph 5 or Paragraph 10 of this Consent Decree (as applicable), and in such case only in the amount of such failed payment. Any amount drawn by EPA shall be deposited by EPA in the Woodbrook Road Dump Site Special Account to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

The total amount available to be drawn under each Woodbrook Letter of Credit shall be reduced by any amounts drawn thereon. If requested by CDE, after CDE has successfully made a required payment under Paragraph 5 or Paragraph 10 (as applicable), the Parties agree to cooperate to effect a reduction in the value of any relevant Woodbrook Letter of Credit by an amount matching the payment made by CDE.

Upon any renewal or extension of any Woodbrook Letter of Credit otherwise in accordance with this Paragraph 12, the amount available to be drawn thereunder shall not be required to exceed the maximum amount of CDE’s remaining payment obligations under

Paragraph 5 or Paragraph 10 (as applicable) of this Consent Decree at such time.

d. Replacement Letters of Credit. At least 30 days prior to the then-effective expiration date of any Woodbrook Letter of Credit (other than any Woodbrook Letter of Credit for which CDE, at least 30 days prior to such expiration date, has obtained a replacement letter of credit that complies with this Paragraph 12, as contemplated below, and will be available to be drawn upon no later than the expiration of such Woodbrook Letter of Credit), CDE shall establish a segregated escrow account for the benefit of Plaintiffs (a “Segregated Account”). This Segregated Account shall receive the proceeds of any drawing under any particular early-expiring Woodbrook Letter of Credit prior to its expiration, as contemplated below, unless CDE establishes a replacement letter of credit, as contemplated below.

The Parties acknowledge and agree that, with respect to any particular Woodbrook Letter of Credit requirement herein, CDE shall not be required to maintain any particular letter of credit with any particular issuer for any particular period so long as (subject to the drawing and escrow provisions below) it maintains a letter of credit satisfying the relevant requirements under this Paragraph 12 for such Woodbrook Letter of Credit at all relevant times. Accordingly, in the event that the issuer of any Woodbrook Letter of Credit shall only commit to provide such Woodbrook Letter of Credit with an expiration date, or shall terminate or decline to renew or extend the term thereof, prior to the time until which the relevant Woodbrook Letter of Credit is otherwise required to be maintained under this Paragraph 12, then CDE shall use its best commercially reasonable efforts to cause to be issued for the benefit of the Plaintiffs one or more replacement letters of credit (which may be provided sequentially) otherwise satisfying the applicable requirements of this Paragraph 12. If CDE shall fail to so procure such a replacement letter of credit at least 30 days prior to the then-effective expiration date of the relevant early-expiring existing Woodbrook Letter of Credit, then the relevant Plaintiff may draw the remaining available amount under the relevant existing Woodbrook Letters of Credit, and the proceeds thereof shall be deposited into a Segregated Account CDE established for the benefit of the Plaintiffs on terms consistent with this Paragraph 12 and the other terms of this consent decree (it being understood that all funds remaining in such Segregated Account shall be released to CDE upon the subsequent issuance of a replacement letter of credit in compliance with this Paragraph 12). The Parties acknowledge and agree that any such early termination or non-extension of a Woodbrook Letter of Credit shall not constitute a default under this Consent Decree, so long as CDE establishes a Segregated Account that receives the proceeds of any drawing under such Woodbrook Letter of Credit before it is terminated early or is not extended or replaced, as contemplated above.

## VII. FAILURE TO COMPLY WITH CONSENT DECREE

13. **Interest on Payments.** If Settling Defendant fails to make any payment required by Paragraph 5 or Paragraph 10 by the required due date, interest shall continue to accrue on any unpaid amounts due pursuant to Paragraph 5 and Paragraph 10 until the total amount due has

been received. If Settling Defendant fails to make the payment required by Paragraph 6 (Insurance Proceeds Escrow Account) by the required due date under Paragraph 6, Interest shall continue to accrue on the unpaid balance from the date payment was due through the date of payment.

**14. Stipulated Penalty**

a. If any amounts due to EPA, the State, or the Trustees under Section VI are not paid by the required date, Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 133 (Interest on Payments), 1% of the amount of the late payment per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by either EPA or the State. For stipulated penalties that Settling Defendant owes to the United States, Settling Defendant shall make all payments at <https://www.pay.gov> in accordance with the procedures under Paragraph 7 and shall send notice of such payments in accordance with the procedures under Paragraph 9 (Notice of Payment). Settling Defendants shall indicate in the comment field on the <https://www.pay.gov> payment form that the payment is for stipulated penalties. Settling Defendant shall make all payments to the State pursuant to Paragraph 11 and shall send notice of such payments in accordance with the procedures under Paragraph 11.

c. Penalties shall accrue as provided in this Paragraph regardless of whether EPA or the State has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

15. If the United States or the State brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States and the State for all costs of such action, including but not limited to costs of attorney time.

16. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiffs by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

17. Notwithstanding any other provision of this Section, the United States and the State may, in their unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section VI (Payments) or from performance of any other requirements of this Consent Decree.

### **VIII. COVENANTS BY PLAINTIFFS**

18. Except as specifically provided in Section IIX (Reservation of Rights by Plaintiffs), the United States covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), regarding the Site. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants are contingent upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree and the New Bedford Harbor Decree, including but not limited to, payment of all amounts due under both Consent Decrees and any Interest or stipulated penalties due thereon under both Consent Decrees. These covenants are also conditioned upon the veracity and completeness of the Financial Information and the Insurance Information provided to EPA by Settling Defendant and the financial, insurance, and indemnity certification made by Settling Defendant in Paragraph 37. These covenants extend only to Settling Defendant and do not extend to any other person.

19. In consideration of the payments that shall be made by CDE under the terms of this Consent Decree and except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), New Jersey covenants not to sue or to take administrative action against CDE pursuant to Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, the New Jersey Spill Compensation and Control Act, N.J.S.A. 58:10-23.11 *et seq.*, the Industrial Site Recovery Act, N.J.S.A. 13:1 K-6 *et seq.*, and the common law of nuisance, negligence and strict liability, with regard to the Site. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants not to sue are conditioned upon the satisfactory performance by CDE of its obligations under this Consent Decree, including but not limited to: 1) payment of all amounts due under Section VI (Payments), including any conditional payment obligations; and 2) payment of any Interest or stipulated penalties due under Section VII (Failure to Comply with Consent Decree).

### **IX. RESERVATION OF RIGHTS BY PLAINTIFFS**

20. The United States and the State reserve, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within Section VIII (Covenants by Plaintiffs). Notwithstanding any other provision of this Consent Decree, the United States and the State reserve all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;

c. liability based on the ownership or operation of the Site by Settling Defendant when such ownership or operation commences after signature of this Consent Decree by Settling Defendant;

d. liability based on Settling Defendant's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site after signature of this Consent Decree by Settling Defendant; and

e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

21. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information or the Insurance Information provided by Settling Defendant, or the financial, insurance, or indemnity certification made by Settling Defendant in Paragraph 37 is false or, in any material respect, inaccurate.

## X. COVENANTS BY SETTLING DEFENDANT

22. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law, relating to the Site.

d. Any claim or indirect claim for reimbursement from the New Jersey Department of Environmental Protection and the Administrator of the New Jersey Spill Compensation Fund, including but not limited to funds from the New Jersey Spill Compensation Fund and the Hazardous Discharge Cleanup Fund.

23. Except as provided in Paragraph 05 (claims against other potentially responsible parties (“PRPs”) and Paragraph 31 (Res Judicata and other Defenses), these covenants shall not apply in the event the United States or the State brings a cause of action or issues an order pursuant to any of the reservations set forth in Section IIX (Reservations of Rights by Plaintiffs), other than in Paragraph 20.a. (liability for failure to meet a requirement of the Consent Decree) or 20.b. (criminal liability), but only to the extent that Settling Defendant’s claims arise from the same response action or response costs that the United States or the State is seeking pursuant to the applicable reservation.

24. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

25. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have for response costs and for Natural Resource Damages and assessment costs relating to the Site against any other person who is a PRP under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendant.

## **XI. EFFECT OF SETTLEMENT/CONTRIBUTION**

26. Except as provided in Paragraph 05 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2) and (3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

27. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and N.J.S.A. 58:10-23.11f.a.(2)(b), and that Settling Defendant is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this

Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States, the State, or any other person, and all Natural Resource Damages, provided, however, that if the United States exercises rights under the reservations in Section IIX (Reservations of Rights by Plaintiffs), other than in Paragraphs 20.a. (liability for failure to meet a requirement of Consent Decree) or 20.b. (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions or Natural Resource Damages that are within the scope of the exercised reservation.

28. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in conjunction with the State in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

29. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the State in conjunction with the United States in this action is a civil action within the meaning of N.J.S.A. 58:10-23.11u.a.(1)(a), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the State within the meaning of N.J.S.A. 58:10-23.11f.a.(2)(b).

30. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ and the State in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ and the State in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ and the State within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

31. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiffs set forth in Section VIII.

## **XII. RETENTION OF RECORDS**

32. Until ten years after the Effective Date, Settling Defendant shall preserve and retain all non-identical copies of records, reports, documents, and other information, including records, reports, documents, and other information in electronic form (hereinafter referred to as "Records") now in its possession or control, or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site, provided, however, that if Settling Defendant is potentially liable as an owner or operator of the Site, Settling Defendant must retain, in addition, all Records that relate to the liability of any other person under CERCLA with respect to the Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

33. After the conclusion of the record retention period, Settling Defendant shall notify EPA and DOJ and the State at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ or the State, except as provided in Paragraph 34 (Privileged and Protected Claims), Settling Defendant shall deliver any such Records to EPA or the State.

### **34. Privileged and Protected Claims**

a. Settling Defendant may assert that all or part of a Record is privileged or protected as provided under federal and/or State law, provided it complies with Paragraph 04.b., and except as provided in Paragraph 0.

b. If Settling Defendant asserts a claim of privilege or protection, it shall provide Plaintiffs with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record's contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Defendant shall provide the Record to Plaintiffs in redacted form to mask the privileged or protected information only. Settling Defendant shall retain all Records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in Settling Defendant's favor.

c. Settling Defendant may make no claim of privilege or protection regarding:

(1) any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Site; or

(2) the portion of any Record that Settling Defendant is required to create or generate pursuant to this Consent Decree.

35. **Business Confidential Claims.** Settling Defendant may assert that all or part of a Record submitted to Plaintiffs under this Section is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Settling Defendant shall segregate and clearly identify all Records or parts thereof submitted under this Consent Decree for which Settling Defendant asserts a business confidentiality claim. Records that Settling Defendant claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA and the State, or if EPA has notified Settling Defendant that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Defendant.

36. Notwithstanding any provision of this Consent Decree, the United States and the State retain all of their information gathering and inspection authorities and rights, including enforcement actions related thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

37. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State, and that it has fully complied with any and all EPA and State requests for information regarding the Site and Settling Defendant's financial circumstances, including but not limited to insurance and indemnity information, pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law;

b. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to EPA and the time Settling Defendant executes this Consent Decree; and

c. fully disclosed to EPA any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site, and submitted to EPA upon request such insurance policies, indemnity agreements, and information.

### XIII. NOTICES AND SUBMISSIONS
